

INNOVATIVE SOLUTIONS WITH GEOSYNTHETICS & GEOMEMBRANES

For over four decades, we at Layfield Geosynthetics have committed to building a sustainable future by incorporating geosynthetic technology to preserve your water, protect your environment, and improve the resilience of your critical infrastructure. Geosynthetics extend the service life of roads, reduce the use of aggregates, conserve and protect water, minimize land disturbance, and control soil erosion.

ENVIRONMENTAL CONTAINMENT

- Pit & Lagoon Liners
- Tank/Tankfarm Liners
- Frac Liners
- Brine Pond Liners
- Secondary Containment Liners
- Vapor Barriers
- Pad Liners
- Landfill Liners and Caps
- Fortified Geomembranes
- Textured Liners
- Roll-stock Liners
- Geonets
- Geocomposites

SOIL REINFORCEMENT

- Geogrids
- Geotextiles
- High-Strength Woven Geotextiles
- High-Efficiency Woven Geotextiles
- NuBarrier Hydrocarbon Digesting Geotextile
- GEOWEB® Load Support

SILT & SEDIMENT CONTROL

- Spring Berms
- Catch Basin Sediment Traps
- Silt Containment Bags
- Silt Fence
- Floating Silt Curtains
- Turbidity Curtains
- Baffle Curtains
- Straw Wattles

EROSION CONTROL

- Erosion Control Blankets
- Turf Reinforcement Mats (TRM's)
- GEOWEB® Slope & Channel
- ShoreMax® Transition Mat
- Coir Products

LOW IMPACT DEVELOPMENT

- Stormwater Tank Systems
*Detention, Infiltration, and Retention Systems**
- AquaDam® Flood Control
- Permeable Paving Systems
- Bioswale Systems

**Module Systems available*

FLOATING COVERS

Municipal Water Protection
Tensioned Floating Covers
Defined Sump Floating Covers
Evaporation Control Covers
Biogas Collection Covers
Modular Insulated Covers
Remediation Covers

INDUSTRIAL FABRICS

Debris Netting
MarineShrink Boat Wrap

STREAM AND CHANNEL PRODUCTS

AquaDam® - Portable Cofferdams
Geotextile Dewatering &
Desludging Tubes

ACCESSORY PRODUCTS

Drainage Boards
Water Vapor and Methane Barriers

SERVICES

Design Assistance
Construction/Installation Services:
*Primary Containment Systems,
Secondary Containment Systems,
Landfill Liners and Caps, Floating
Cover Systems, Floating and Fixed
Baffle Curtains, Repair and
Maintenance Services*
Fabricated Liners and Geotextiles
(Prewelded/Presewn in Our
Fabrication Plants)

**FAST SHIPPING
AVAILABLE
